Keep your class in safe hands with our experienced team

About Us

England Sports Group is dedicated to providing high-quality PPA cover to schools in our area with our qualified sports coaching team. Operating since 1991, alongside our education division, we currently work with more than 150 schools across the UK.

We offer the largest range of lessons, meaning you only have to deal with one provider to cover multiple aspects of the curriculum. We can offer both sports and life skills (Leader in Me) programmes. Our expertise enables us to be on the cutting edge of education, making a positive difference to the lives of children nationwide. We give you the peace of mind with PPA cover, knowing that your pupils are receiving outstanding provision.

Focused Approach

Our approach is focused around the needs of your school.

Before the first PPA cover session, a member of our team will be in touch for a pre-consult relating to your school and the classes they will be coaching. During this time, we aim to learn about any medical conditions, understand your behaviour policy and housekeeping elements including your register and dismissal policies. We ensure our coaches have as much information about your school and pupils as possible, allowing them the foresight to coach proactively and effectively.

Our Coaching Standards

- Level 3 safeguarding trained
- Behaviour and classroom management trained
- First Aid trained
- The 7 Habits of Highly Effective People leadership course certified
- DBS checked; certificates available on DBS Update Service
- Experience in Primary School sport

Best for Life Skills

Leader in Me

PPA Sports and Leadership Lesson Planning and Expertise

All of our PPA lessons have been planned and prepared with the National Curriculum in mind. Each sport and leadership lesson England Sports Group delivers links with the core curriculum, with key skills and learning outcomes.

We plan for differentiation in ability level and we have appropriate lessons for KS1 and KS2 pupils. The sport and leadership knowledge, enthusiasm and skills of our PE coaches are what makes our provision outstanding. We know how to make PE challenging, engaging and fun whilst supporting your pupils.

Fantastic Choice

Our coaching teams have a wide range of sport specialities, this allows us to offer a huge range of activities.

We can focus and develop skills in a particular sport or we can mix things up with our multi-sports package. Maximum group sizes are 35 and we can provide sports equipment if required.

How we teach sport makes us unique and different

LeaderinMe®

Our Approach to Sport Coaching

Our coaches deliver PPA cover by integrating a positive value-based approach. Our ethos is to develop the whole person rather than just their athletic ability. We are the only organisation in the UK that is licensed to teach The 7 Habits of Highly Effective People to children through sport. We call this the Leader in Me.

The 7 Habits have been proven to build key social-emotional skills in children. We integrate the 7 Habits through physical education lessons, and our coaches help develop the children's character and leadership skills, whilst encouraging them to live a healthy and active lifestyle.

Leadership Lessons with Leader in Me and The 7 Habits

Focused *Leader in Me* programme in your school as part of PPA Cover
Our *Leader in Me* programme can support pupils who could benefit from learning leadership habits that they can apply at home and at school to help them cope with life's adversities.

Why not change your PPA from sports to *Leader in Me* which provides more socialemotional development? Through our structured lesson plans and teaching *The 7 Habits*, our coaches can develop children's key life skills to become more resilient and life-ready learners for the future.

Through social-emotional development, pupils acquire and apply the knowledge, attitudes and skills to:

-  Understand and manage emotions
-  Set and achieve goals
-  Feel and show empathy for others
-  Establish and maintain relationships
-  Make responsible decisions

LeaderinMe® is endorsed by **CASEL** as an evidence-based social-emotional learning process. The core competencies emphasise the need for pupils to develop regulation and management of self, and to cultivate skills that foster successful relationships with others.

Reliable, Cost-Effective Solution to your School's PPA Requirements

Book your PPA Sport or PPA Leader in Me cover with us today

- Once your provision is agreed, we will supply your school with your coach's details, including DBS number and lesson plans.
