Terms & Conditions

Your booking is based upon our company Terms and Conditions set out below. It's important that you read and understand them. When making a booking with us you will be asked to tick a box to confirm you understand the agreements with us. We have a dedicated customer service team who are available to discuss any issues or questions you may have before, during or after your booking is made with us.

Our Terms & Conditions may be updated at times. The most up-to-date version can be found on our website www.englishsportsgroup.com and is available to view when making a booking.

Payment Terms

We accept payment by credit/debit card for all products on our website and booking system.

Childcare vouchers, Tax Free Childcare and our own Camp Pass can be used for payment of Camp England products only due to the nature of the services being provided. We do not accept payments by American Express, Paypal, cheque or cash.

Card details are encrypted and stored for use with future bookings on our booking software Pembee. You can make payment for any of our services on our website www.englishsportsgroup.com or over the phone calling 0800 043 0707 during office hours.

Payment is due at the time of booking. No place will be confirmed until payment is received in full via our Stripe account.

If you are paying by childcare vouchers, payment must be processed at the time of booking. If no payment is processed, your child will be unable to join the Camp England sessions booked as we will have outstanding payment due on the account.

Booking and Cancellation Terms

Responsibility for all booking details for adult and child attendees lies with you when registering for the first time and making each booking.

If you require changes to your booking after payment, please contact us and we will try and make required changes. This cannot always be guaranteed due to availability

School Classes and Club Programme

If you cancel your place on one of our school classes or club programme sessions, a refund or credit will only be issued if this is due to medical reasons. In such circumstances, this must be supported with a medical note.

In the event that ESG is forced to cancel a school class or club programme class due to bad weather or coach illness (for example) we will do our best to contact you in advance, and we will endeavour to extend the remaining sessions for additional set times to make up for the cancelled sessions.

If you are unable to attend a booked lesson and it's been missed, we do not offer a refund, catch up session or a credit. School Classes and Club Programmes are booked as a term and the onus is on the customer/child to attend or not as they wish.

Credit cannot be extended or refunded as a cash payment.

To make a booking using credit, you must contact the office who will complete your booking over the phone. Credits can only be used for children on the named account the credit has been allocated. It's the responsibility of the parent/guardian to disclose full information relating to the child's physical and mental health. If your child has additional needs, please get in touch so we can fully understand these and make sure our coaches have the training required to support your child's needs when in our care.

We have a duty of care to keep children safe at all times. Children must not attend camp if they are ill or infectious or been in contact with someone who has recently been diagnosed with an infectious illness/disease/COVID.

Photography and Video

On occasion our team may take photographs or video footage at our venues. This is for marketing and promotional purposes. To exclude your child, you must state when registering on your booking that you do not wish for them to be in any video or photography. If you need to check this you can see the details under your account in Pembee.

Data Protection

To process your booking, we need to collect personal details about you and the children on your booking. It is your responsibility to ensure that you have permission to pass on these details. Additionally, we'd like to hold and use some of your details for future marketing purposes (full details of how we may use your data are available in our Privacy Policy); we'll ask for your consent to this when you register your details with us.
